Why Holmesglen?

Study at Holmesglen for a dynamic educational experience that combines industry-relevant courses, high quality training, modern facilities, and a supportive learning environment, all preparing you for success in your chosen career.

Great employment outcomes

Holmesglen's focus on future skills, industry collaboration, practical training and ongoing job support, position our graduates for greater opportunities in a competitive job market. Our training and qualifications are recognised and trusted by your future employers.

VET students who achieved an improved employment status increased by 2.6% in 2023 compared to 2022*

Strong industry connections

Our strong connections across industries, provide students with networking opportunities, industry events, and guest lectures. These connections often lead to internships, job placements, and invaluable exposure to ensure success.

Holmesglen is a five-time Victorian Training Awards Industry Collaboration winner for our strong partnerships with workplaces

High quality teaching and learning

For over 40 years, Holmesglen has led the way in technical and further education. We are respected by students, apprentices and employers.

89% of VET graduates were satisfied with the overall quality of training*

89%

Our story is future skills

Build a future proof career!

At Holmesglen, our training is aligned to future industry needs and we prepare you for work in growth sectors with rising employment opportunities. We are currently training a skilled workforce who will be well-equipped to meet the demands of the care, clean, and digital economies in Victoria.

How do we innovate?

We conduct applied research with industry, design and deliver new training approaches and use advanced simulator technology and immersive learning in our classes.

Build your career in a priority sector

Holmesglen can give you skills for the three priority sectors identified in the landmark "Future Skills for Victoria" report.

Clean economy

Holmesglen is innovating new training approaches to help Victoria meet its clean energy and circular economy goals.

Electrotechnology

Holmesglen is recognised by the industry as the premier TAFE for high quality and accredited training in renewable energy.

- Renewable Energy Centre for Excellence
- Solar, battery and EV charging training facilities
- Futuretech electrical engineering training and partnership with ETU

Building and Construction

Our building and construction courses ensure you get your skills from the best in the industry and find jobs with employers who trust your training.

Holmesglen has a partnership with the Australian Government Cooperative Research Centre Program to offer Building 4.0 CRC, an industry-led research initiative to elevate future workforce skills. Our long-standing, respected and recognised connections to the building and construction industry will help you get the skills you want and the job you want.

Environment and Conservation

Champion eco system protection and nature preservation to work in the growing sustainability industry.

Our courses provide a high level of practical learning opportunities outside the classroom and our expert teachers deliver on our commitment to Horticulture training. Our Eildon campus is set against the backdrop of the Rubicon State Forest and has access to its own agricultural forestry and wildlife zone. And our Glen Waverley campus is built with facilities designed for Horticulture.

- **59,000 jobs will be created in renewable energy**
- **6,000 SEC jobs will be for apprentices and trainees**
- **10,000 additional jobs per year in clean economy-related occupations will be needed from now until 2030**

Care economy

We are training the future workforce of Victoria's care economy and providing skills to meet industry needs across health care and social assistance services.

Nursing

Our unique partnership with Healthscope has created the award-winning health science precinct at Moorabbin – and Australia's first TAFE-based hospital.

Disability and Aged Care

Our aged care and disability courses are complemented by integrated work placement opportunities with leading healthcare providers.

We maintain strong industry links with leading aged care providers, whose representatives also sit on our Aged Care Course advisory committees.

Early Childhood

Our courses are on the Free TAFE list and the Diploma covers the National Quality Framework, including the Early Years Learning Framework, and the compliance requirements of the National Quality Standards.

Our connections to the best industry partners helps a large number of students gain employment on their first placement.

Allied Health Care

Our courses are designed to give you practical skills, making you job ready faster. Our allied health training provides access to virtual reality learning opportunities in our state-of-the-art Simulation Centre. Plus, our industry connections will ensure your training is aligned to the skills employers want.

- **More than 40 per cent of ASX-listed life science companies are based in Melbourne**
- **83,300 new workers are expected in the care economy**
- **6 out of 10 new workers in the care economy will require higher-order skills**

Digital economy

We are raising digital capabilities in Victoria by delivering training on digital tools, digitisation and automation that can be applied across industries.

Cyber Security

Our upcoming Centre of Excellence for Cyber Security will provide a specialised training space with direct access to industry.

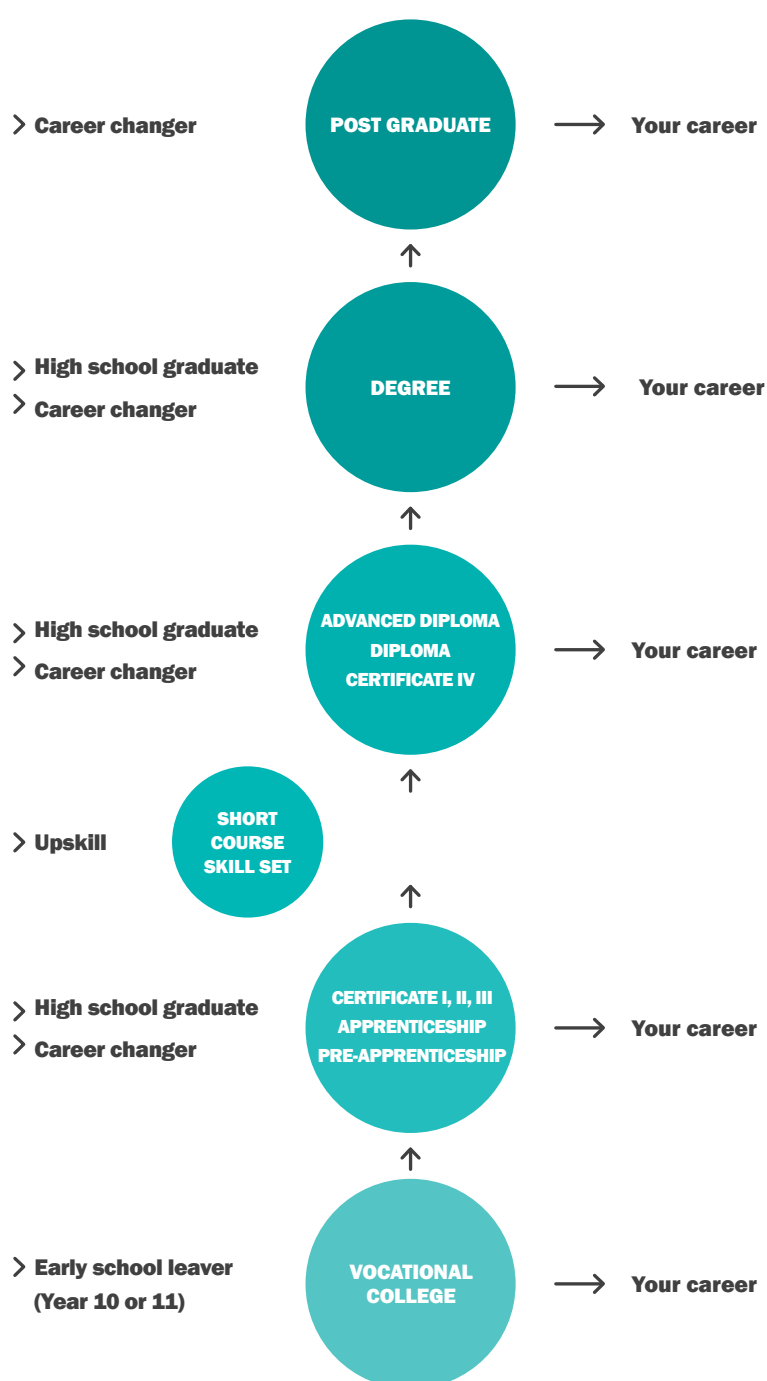

Information Systems, Gaming and Web Design

We are supported by our industry and Academy Partners: Fortinet Network Security Academy, Cisco Networking Academy, Microsoft Academy, Amazon Web Services Academy (AWS), LifeJourney, and the Australian Signals Directorate (ASD).

- **By 2030, digital literacy will be among the top three skills demanded by most industries**
- **Australia's tech industry is on track to create 1.2 million tech jobs by 2030 – filling those jobs is the challenge**
- **The National Skills Commission estimates skills clustered around the digital economy will increase 28% between 2022 and 2027**

There are many pathways to your career

Whether you want to launch into a new career, upskill to advance your current career, or return to the workforce, our study pathways are designed to help you achieve your goals.

Holmesglen Campuses

BOURKE STREET

Level 3, 206 Bourke St, Melbourne

Our Bourke Street campus is suitably located in the heart of Melbourne – close to Chinatown, retail outlets and convenient public transport. The campus is a dedicated nursing training facility, which is giving Victorians greater opportunities to pursue their healthcare careers. The HLT54121 Diploma of Nursing is offered at this campus, which is perfect for those wanting to learn in the CBD.

DRUMMOND STREET

Corner Drummond and Rae Streets, Chadstone

Our Drummond Street campus is the Victorian training hub for electrical services infrastructure, civil construction, industrial skills and workplace health and safety. The campus is located just 1.5 km from our main Chadstone campus. The campus houses the Victorian Tunnelling Centre, a dedicated facility for the specialist training of workers and professionals in the construction and operation of transport and utility tunnels. The electrical services infrastructure facility trains workers to be licenced to work on Victoria's electrical distribution network.

BOURKE STREET

DRUMMOND STREET

CHADSTONE

HOLMESGLEN AT EILDON

CHADSTONE

Corner Batesford and Warrigal Roads, Chadstone

At our Chadstone campus, you will find some of Victoria's largest and most well-known building and construction training facilities. We offer over 30 pre-apprenticeships and apprenticeships in popular areas like plumbing and carpentry – as well as niche areas like glass and glazing and stonemasonry. The Chadstone campus is also home to our international award-winning Heating, Ventilation and Air Conditioning Centre of Excellence. You will find a digital print centre, fashion studios, building design suites, our business faculty, IT labs, and dental technology and oral health simulation facilities. Additionally, the Holmesglen Employment Centre, connecting students and graduates with employment opportunities. Plus, our Chadstone campus has its own train station, Holmesglen, on the Glen Waverley line.

Scan the QR code to take a virtual tour.

HOLMESGLEN AT EILDON

Moore Road, Eildon

This award-winning purpose-built conference and function venue, set on a gorgeous rural property in the Goulburn Valley's Rubicon State Forest, is a RACV Victorian Tourism Awards Hall of Fame member. Holmesglen at Eildon has a working cattle farm, as well as its own agro forestry and protected wildlife zone. As a student, you might be lucky enough to visit with a student group on a trip, which could include a range of outdoor recreation, such as bushwalking, mountain biking, canoeing, rafting or fishing. The property is a Sustainable Tourism Accredited Business and is available for corporate hire, private functions and overnight, weekend or longer-term stays.

GLEN WAVERLEY

595 Waverley Road, Glen Waverley

With extensive horticulture grounds, and a charming suburban appeal, this campus provides the perfect backdrop to your studies. You'll find hospitality kitchens, our student restaurant Zest, an early childhood practice room, a massage and naturopathy clinic, as well as a training gym and exercise science room. Our Glen Waverley campus is also home to our Vocational College and a Startup Hub, which helps eligible graduates start their businesses.

Scan the QR code to take a virtual tour.

MOORABBIN

488 South Road, Moorabbin

Our Moorabbin campus is the gateway to Melbourne's Bayside. Home to the Holmesglen Private Hospital – an award-winning facility – it is perfect for nursing, allied health and pathology student placements. Our leading health precinct is a premier training hub in the Victorian education sector, with some of the best dedicated simulation and lab facilities.

The campus also houses the Renewable Energy Centre, Holmesglen's sustainability and green energy space for our electrical and engineering courses. You'll also find global culinary force Le Cordon Bleu, our student restaurant Cilantro and our Vocational College on campus.

Scan the QR code to take a virtual tour.

NORTH MELBOURNE

Level 2, 200 Arden Street, North Melbourne

At our Holmesglen Futuretech campus, we have collaborated with the Electrical Trades Union Victoria (ETU) to provide those seeking an electrical career, greater options and convenience. We offer pre-apprenticeships, apprenticeships, and industry short courses at the campus. Our Futuretech initiative is a previous Industry Collaboration Award recipient at the Australian Training Awards.

Student wellbeing and campus life

Learning Skills Centre

Keen to brush up on your academic and study skills – for free? We're here to help with assessments, report writing, research skills, note taking, summarising, referencing, time management, presentation, and general study skills.

Counselling

Life can be stressful and difficult sometimes when studying and working while studying, so we provide free and confidential counselling for all students. This includes welfare, study, financial, personal, career counselling and more.

Medical centres

Open during term, our clinics feature general practitioners (GPs) who bulk bill, so there are no out-of-pocket expenses. Just make sure you bring your Medicare card or Overseas Student Health Card.

Disability support

If you need special consideration due to illness, or you have problems reading and writing, our Disability Officers can help minimise the impacts on your life while studying. We support you with notetakers, Auslan interpreters, study assistance and classroom participation assistants – whatever you need to feel confident.

Institute accommodation for international students

Living in institute-owned accommodation is a great way to meet and learn about people from other countries, while sharing a house.

We offer properties near our campuses exclusively for international students arriving in Melbourne. Living in these institute-owned spaces is a fantastic way to connect with peers, explore Melbourne, and settle in. Institute accommodations cater to medium-term stays, up to six months, offering affordability, modern amenities, social areas, and private bedrooms with study space, ensuring comfort and convenience with heating, air conditioning, and internet access throughout the property.

Self-Employment Assistance

Do you have a small business idea you want to explore? With Self-Employment Assistance, you may be eligible to receive small business training in:

- Small business training
- Financial support
- Business coaching/mentoring
- Business Health Checks for current micro-businesses

Find out more information or if you're eligible at holmesglen.edu.au/Self-Employment-Assistance

Indigenous student support

Our Indigenous support team is here to assist Indigenous students, provide activities and opportunities to engage with Indigenous culture, and offer career and personal counselling and disability support.

Our activities are heavily subsidised, so you can take part at a fraction of the normal price.

Recreation and activities

As a Holmesglen student, you will have access to all types of activities, clubs, sports and on-campus events. Plus, our activities are heavily subsidised, so you can take part at a fraction of the normal price.

From day, weekend and interstate trips to movie and book clubs, and sporting teams, there is an opportunity for you to socialise and make new friends.

We have many free activities and events across our campuses each year. For more information, keep an eye on holmesglen.edu.au/recreation

Holmesglen Employment Centre

The Holmesglen Employment Centre is the perfect place to get your career goals sorted, and best of all, it's a free service to Holmesglen students.

Our friendly team can connect you with employment opportunities and provide dedicated support, which includes:

- Job readiness workshops
- Interview preparation and resume advice
- Career pathway assistance

Visit holmesglen.edu.au/Industry/Holmesglen-Employment-Centre

Apprentice Central

Apprentice Central is our award-winning apprentice support team, focussed on your needs as an apprentice. Awarded Gold at the World Federation of Colleges and Polytechnics Awards of Excellence, this unique service ensures Holmesglen apprentices receive dedicated support throughout their training at the Institute.

Apprentice Central can help you with:

- Employment issues such as wages, awards, entitlements, OHS
- Training and careers
- Personal/family matters
- Financial stress or hardship
- Employability skills
- Learning support

Our services include:

- Confidential one-on-one support
- Decision-making tactics and conflict resolution
- Life skills, budgeting and finances
- Mentoring and guidance, and general advice
- Referrals to supporting services

While we want you to complete your training successfully, we also want to make sure your apprenticeship is enjoyable, rewarding and stress-free.

Scholarships

The Holmesglen Foundation supports students with a range of scholarships based on both financial need and academic performance.

Our generous donors enable the Foundation, with the assistance of student wellbeing and teachers, to identify students who may need support. While there are some scholarships for specific areas such as nursing or trades, we also have general scholarships for students from any area of study at Holmesglen.

Scholarships are subject to availability and may vary year to year. To find out which scholarships may be available to you, visit: holmesglen.edu.au/scholarships or call us on 03 9564 1594 or email foundation@holmesglen.edu.au

We believe in access to education for everyone. That is why we offer a range of scholarships and financial aid to help you pay for your tuition and course materials.

"I'm truly honoured and grateful to receive this [scholarship]. It's recognition of my efforts, but a testament to the support and encouragement I have received."

Cesar Banzon
Building Design (Architectural)

"Thank you to my teachers who have supported me to be able to do my job."

Ssu-yi Li
Building and Construction

Staying true to our belief that education should be accessible to all, Cesar Banzon and Ssu-yi Li were recent recipients of George Kline Memorial Scholarships. Collaborating with our Holmesglen Foundation, the Scholarship recognises the late George Kline, a respected building professional and Australian industry pioneer.

Distributed by the Holmesglen Foundation for student grants, scholarships and support services

100+
Scholarships
awarded in 2023

If you're in need, Student Wellbeing has food banks for basic food relief

Outstanding students are recognised each year with cash prizes at Holmesglen's Gala Awards dinner

Higher Education

Get a higher education qualification and start working in advanced skill jobs today.

At Holmesglen we offer a range of higher education degrees with the same focus on future skills, practical experience, and a supportive learning environment.

Take advantage of our extensive industry connections to secure internships, work-integrated learning, and applied research. Holmesglen qualifications at every level are recognised and encouraged by Victorian employers across diverse industries.

13.5% increase expected in Australian jobs requiring a bachelor degree or higher qualification leading up to 2026

- **Bachelor of Business Accounting**
- **Bachelor of Fashion Design**
- **Bachelor of Hospitality Management**
- **Bachelor of Information Systems**
- **Bachelor of Nursing**
- **Bachelor of Oral Health**
- **Bachelor of Sports Business**
- **Bachelor of Sports Media**

Source: <https://labourmarketinsights.gov.au/our-research/employment-projections/#3>

“I’ve just secured a grad role at Royal Women’s Hospital. I was one of 15 people out of 400 applicants.”

Lorna Sutton
Bachelor of Nursing

Having left school in Year 9 and being a single parent to her daughter, Lorna faced many challenges in coming back to study as a mature aged student. She found her place at Holmesglen and as the president of the student representative council she mentored fellow students through difficult orientation periods. At the end of her degree, Lorna has successfully secured a paid undergraduate student nursing role and accepted a prestigious fellowship at Epworth.

Course Fees

What types of fees apply to me?

Concession fees

If you're a current healthcare, pension card or veterans' gold card holder and you're applying for a certificate course, then concession fees may apply to you. Your concession eligibility will be calculated during your enrolment.

Full fees

You will be a full fee-paying student if you do not meet concession or subsidised fee criteria, or if you are an international student.

Subsidised fees

If you're an Australian or New Zealand citizen, or a holder of a permanent visa or humanitarian visa, you may be eligible for a government-subsidised place.

Everyone's personal circumstances are different - and this can affect what you pay for your training and education. If you are eligible for government-subsidised training, your tuition fees for some selected courses could be free.

How can I pay?

Upfront

Pay all your fees before starting your course.

- In person at any Holmesglen campus Information Office
- Online via the student account section on the student portal
- By cheque
- Third party invoice through the presentation of an authorisation in writing at any Holmesglen campus Information Office.
- BPAY via an invoice which will contain your BPAY details.

HECS-HELP

HECS-HELP

If you're studying a Bachelor of Nursing, you may be able to apply for a loan from the Australian government. Repayments are made through the ATO (which are deducted from your salary once you start earning over a certain amount).

Payment plan

You can organise to pay in instalments over the duration of your course.

FEE-HELP

FEE-HELP

If you're studying a degree program that does not offer HECS-HELP, you may be able to apply for a FEE-HELP loan from the Australian government. Repayments are made through the ATO (which are deducted from your salary after you start earning over a certain amount).

Scholarship

You can apply for a number of scholarships that may assist in paying your tuition fees.

VET Student Loan

If you're studying selected diplomas or advanced diplomas, you may be able to apply for a loan from the Australian government. Repayments are made through the ATO (which are deducted from your salary once you start earning over a certain amount).

You are required to pay your fees or confirm a payment method before the commencement of your first class.

How to Apply

DIRECT

APPRENTICESHIPS

INTERNATIONAL

1	Apply via the course page on the Holmesglen website holmesglen.edu.au	Find a job as an apprentice or trainee.	Read the International Study Guide via holmesglen.edu.au/international If you have any questions, send an email to international.admissions@holmesglen.edu.au or call +61 3 9564 1703
2	Holmesglen staff will contact you to send you a literacy and numeracy assessment, organise your interview and confirm your pre-training assessments.	Register with an Australian Apprenticeship Support Network (AASN) and nominate Holmesglen as your training provider (your employer will usually do this for you).	It is recommended that you use a Holmesglen approved education agent to assist you with your application. They can help you choose the right course and assist you with your student visa application. To find an agent in your country, visit holmesglen.edu.au/international
3	Receive and accept your Letter of Offer.	Receive your AASN registration number, which is called an 'Epsilon Number'.	Whether you're applying with or without an agent, you'll need to check that you meet all academic and English prerequisites as listed on the international course pages. You'll also need to provide certified copies of your supporting documents. For details on how to apply, visit holmesglen.edu.au/International/How-to-apply/
4	Complete government required information and register.	Holmesglen staff will contact you to arrange your training schedule and finalise your Holmesglen enrolment (once your AASN registration is complete and you have received your 'Epsilon Number').	Make sure that you read and understand the Institute's Terms and Conditions of Enrolment and the Fee Payment and Refund Procedure. Complete all sections of the application form, and remember to include your signature and contact details. If you're applying without an agent, you'll be required to pay a \$500 (AUD) application fee.
5	Pay your fees (see page 16 for payment options).	Pay your fees (either upfront or on a payment plan).	Once our admissions officers have all the required information to assess your application, they'll inform you of the outcome. If you're successful, you will receive a Letter of Offer along with a Fee Schedule, outlining the fees payable.
6	Find out if you are eligible for a government-subsidised place and fee concession, show 100 points of ID to receive your student ID card.	Show 100 points of ID to receive your student ID card.	If you have met all the conditions on your Letter of Offer, you can proceed to deposit your first fee instalment, as outlined in your Letter of Offer (Fee Schedule). Submit your payment, along with your Offer Acceptance Form, to receive an Electronic Confirmation of Enrolment (eCoE). You will need an eCoE to apply for a student visa. To learn more about student visa applications and Genuine Temporary Entrant requirements, visit homeaffairs.gov.au

Indicative course fees are listed on the website.

holmesglen.edu.au/students/fees

ARTS AND DESIGN

STUDY AREAS:

- Fashion
- Interior decoration and design
- Printing

Arts and design courses help you embrace your creative potential across various industries.

At Holmesglen, you can explore a diverse range of roles in fashion, interior decoration or printing.

Our courses include certificate, diploma and degree qualifications.

CREATIVE EXCELLENCE

Our students are encouraged to display their work for all to see. Our arts and design students are past award winners, including at the Design Matters Awards and Melbourne Fashion Week.

CAREER EXPERIENCE

Our fashion degree students regularly unveil their latest collections at Melbourne Fashion Week.

INDUSTRY FOCUS

Our printing courses have strong industry links and apprenticeships span specialist areas, including prepress graphic design production and print binding, finishing and packaging.

“The highlight of my studies was being put forward for Melbourne Fashion Week, which was an experience of its own. A lot of work but it was sort of amazing as well.”

Erika Honey
Bachelor of Fashion Design

Erika was winner of the Peter Darvall Higher Education Award at Holmesglen in 2023 and represented the institute at the Melbourne Fashion Week Student Runway, securing one of only forty places available for TAFE students.

Find out more about Erika's journey.

FASHION

Certificate II in Applied Fashion Design and Technology

VET Delivered to Secondary Students

 **MST20616**  **Part time (2 years)**  **February**  **Chadstone**

Entry requirements: You must be enrolled as a VCE or VCE (Vocational Major) student at a Victorian secondary school.

Career opportunities: Completion of this course will provide you with a folio of fashion design work suitable for use at interview for a variety of fashion design courses, from certificate through to diploma and degree level.

Certificate II in Apparel, Fashion and Textiles

 **MST20722**  **Full time (6 months), part time (1 year)**  **February**  **Chadstone**

Entry requirements: Minimum age requirement 17 years and must have completed Year 11.

Career opportunities: Designer, production assistant, machinist, quality control, wholesale, product sourcing and retail/online sales.

Certificate IV in Apparel and Fashion

 **MST40222**  **Full time (1 year), part time (2 years)**  **February**  **Chadstone**

Entry requirements: Minimum age requirement 18 years and must have completed Year 11.

Career opportunities: As a graduate of this course, you may be employed in a variety of entry to mid-level roles using your specialised technical and design skills. You will have the capability to work in the fashion sector within a retail, production or design room at an entry or assistant level.

Bachelor of Fashion Design

 **BFD23**  **Full time (3 years), part time (6 years)**  **March, July**  **Chadstone**

This is a cutting-edge course for those who aspire to a career in the fast-paced world of fashion. Innovative design is at the forefront of our delivery, underpinned by a comprehensive technical foundation in pattern engineering, garment construction and the application of CAD design tools.

Entry requirements: You must be at least 17 years old at the start of the course and hold a minimum qualification of VCE/HSC or an equivalent. All applicants are required to attend an interview and present a portfolio of recent design work that showcases a range of creative and technical skills.

Career opportunities: Fashion designer/design assistant, manual pattern maker and grader, CAD pattern maker and grader, production manager, garment technician and fit technologist, small (design) business manager/owner, independent fashion consultant/designer, fashion events producer.

Certificate III in Prepress Graphic Design Production (Apprenticeship)

ⓘ ICP31420 ⓘ Part time (3 years) 📅 February, July, October 📍 At your workplace, Chadstone

Entry requirements: As this is an apprenticeship delivery, prior to enrolment or commencement of training you will be required to have an Epsilon registration and signed contract with an employer and a signed training plan with Holmesglen.

Career opportunities: Digital media designer, assistant graphic artist, multimedia designer, print finishing artist, pre-press operator/worker, digital production controller.

Our printing students learn in leading and industry-current training facilities at our Chadstone campus.

Scan the QR code to see where you can explore your printing career.

BUILDING AND CONSTRUCTION

With major infrastructure and building projects underway across Australia, a building and construction job is your path to a successful trade career. Whether you're looking to upskill, reskill or start something new, we have training for all stages.

You'll be impressed by our facilities, including:

- Drummond Street's Victorian Tunnelling Centre, an Australian-first tunnelling training centre, which supports major builds like Metro Tunnel.
- Chadstone's Heating, Ventilation and Air Conditioning (HVAC) Centre, which is an international award winner in learning and development.
- Plus, our huge trade barn and workshop spaces at Chadstone, Moorabbin and North Melbourne.

STUDY AREAS:

- Bricklaying and stonemasonry
- Building and construction management
- Building design and drafting
- Carpentry and joinery
- Electrical
- Engineering and fabrication
- Flooring, plastering and tiling
- Furniture and upholstery
- Glass and glazing
- Painting and decorating
- Plumbing
- Renewable energy

APPRENTICE CENTRAL

Our award-winning support team can help you through every stage of your apprenticeship to ensure you have a positive training experience. They can help with employment issues, career advice, financial stress or hardship, and more.

START YOUR OWN BUSINESS

A building and construction course is a great way to start your own business. Many graduates have gone on to create their own companies and become leaders in their chosen field.

A LEADING WORKFORCE

A significant upgrade of our renewable energy training facilities is making us a leader in accredited solar energy short courses for licensed electricians.

“I am proud of participating in the WorldSkills Competition and demonstrating all the knowledge that Holmesglen gave me throughout my apprenticeship. I am constantly learning and love working with others.”

Alexander Natoli
Certificate III Carpentry

“We are very proud. Alex has showcased his remarkable talent and carpentry skills, consistently producing work of exceptional quality. Alex always had the natural talent for the competitive stage and didn’t seem perplexed by the challenge. He is a very competent problem solver”.

Nicole Cairns, Carpentry teacher.

Career opportunities: Bricklayer, blocklayer.

Certificate III in Stonemasonry (Apprenticeship)

 **CPC32320**  **Part time (4 years)**  **Various**  **Chadstone**

Entry requirements: To be eligible, students must be at least 16 years of age. You must have a training agreement with a registered employer from a relevant industry.

Career opportunities: Stonemason, landscaper.

BUILDING AND CONSTRUCTION MANAGEMENT

Certificate IV in Building and Construction (Building)

 **CPC40120**  **Full time (1 year)**  **February, July**  **Chadstone**

Entry requirements: To be eligible for the program, you must be at least 18 years old. This course is recommended for learners seeking registration in the relevant categories of a domestic builder limited license. It is advisable you have completed at least Year 11 and have a strong desire to work in the building and construction industry. You should also understand that successful completion of this course may lead to employment opportunities that require outdoor work, work at heights, or underground work and may involve physical labour.

Career opportunities: Registered builder, construction manager, domestic builder, building estimator, building/construction project supervisor.

Diploma of Building and Construction (Building)

 **CPC50220**  **Full time (2 years), part time (3-8 years, average of 4 years)**  **February, July**
 **Chadstone**

Entry requirements: You must be at least 18 years old and have finished Year 12. Additionally, having a strong interest in the building and construction industry and possessing adequate literacy and numeracy skills is important. If you are a mature learner, completing Year 12 or its equivalent and having a passion for the building and construction industry are necessary. Upon completion, job opportunities you pursue will include outdoor, elevated and underground work, often requiring physical effort.

Career opportunities: Estimators, contract administrators, on-site management and supervision of residential and medium rise projects, local, national and international construction management, specialist construction roles in quality assurance and safety.

Diploma of Building and Construction (Building) - Online

 **CPC50220**  **Full time (2 years), part time (3-8 years, average of 4 years)**  **February, July**
 **Online, Chadstone**

**Did you know a
Free TAFE
pre-apprenticeship
course can spark your
electrical career?**

The UEE22020 Certificate II in Electrotechnology (Career Start) is an ideal entry point for people wanting to gain electrical industry knowledge. This includes an understanding of lighting, general power, fire protection and security, robotics, instrumentation, optical data, voice systems, electrical motors, and control systems.

A pre-apprenticeship gives learners an insight into the industry they want to work in and builds a foundation of skills for an apprenticeship.

ELECTRICAL - Continued

Certificate III in Appliance Service (Apprenticeship)

 UEE32120  Part time (3 years)  Various  Moorabbin

Entry requirements: As a requirement for this program, Holmesglen requires learners to be engaged in an appliance service apprenticeship. In addition, learners must be at least 18 years of age when enrolling in the program. Note: For specific units of competency within this program, apprentices are required to possess a TLOO0 - Trainee Refrigeration and Air Conditioning Licence. This license, granted by the ARC, enables apprentices to work on air conditioning and refrigeration equipment, as well as handle refrigerants during classroom-based training and/or assessments, under supervised conditions at their workplace. The supervisor must hold a license suitable for the tasks they're overseeing. This license remains valid for the training period, which can extend up to one year. To obtain the license, apprentice learners need to provide the following: Proof of enrolment in the relevant listed course. A Work Supervisor Declaration as part of the Refrigerant Handling License application, completed by the designated supervisor.

Career opportunities: Appliance Service Technician.

Certificate III in Electrotechnology Electrician (Apprenticeship)

 UEE30820  Part time (4 years)  Various  Moorabbin, North Melbourne

Entry requirements: To be eligible, students must be at least 16 years of age. Holmesglen requires all applicants to be engaged in an electrical apprenticeship. You must be signed up as an apprentice with your chosen employer and have a Delta number stating Holmesglen is your selected training provider.

Career opportunities: Electrician.

Certificate III in Electrical Fitting (Apprenticeship)

 UEE33020  Part time (3 years)  Various  Moorabbin, North Melbourne

Entry requirements: There are no formal entry requirements to this qualification, but as a requirement for this program, Holmesglen requires all learners to be engaged in an electrical fitting apprenticeship. You must be signed up as an apprentice with your chosen employer and have selected Holmesglen as your selected training provider. In addition, learners must be at least 16 years of age when enrolling in the program. This requirement meets the minimum age requirements for training and working in the Electrotechnology field in Victoria, determined by Energy Safe Victoria (ESV). It is recommended that applicants have completed Year 11 or equivalent, due to the literacy and numeracy requirements of electrical studies. Holmesglen recommends all applicants have a minimum of Year 10 English and Mathematics.

Career opportunities: Licensed electrical fitter.

Certificate III in ESI - Distribution Overhead (Apprenticeship)

 UET30621  Part time (4 years)  Various  Drummond St Chadstone

Entry requirements: Holmesglen requires all learners entering this course to be employed by a provider in the electrical supply industry, powerline industry sector, and registered as an apprentice working with an ESI provider. Applicants must be at least 16 years old and above to enrol in the program to meet the minimum age requirements for training and working in the electrotechnology field in Victoria, determined by the regulators Energy Safe Victoria (ESV).

Career opportunities: Electrical linesworker.

Certificate III in ESI - Distribution Underground (Apprenticeship)

 UET30821  Part time (4 years)  Various  Drummond St Chadstone

Entry requirements: Holmesglen requires all learners to be employed with an ESI provider, and registered in an ESI apprenticeship agreement. Applicants must be at least 16 years old and above to enrol in the program to meet the minimum age requirements for training and working in the electrotechnology field in Victoria, determined by the regulators Energy Safe Victoria (ESV).

Career opportunities: Powerline Cable Joiner in the electricity transmission and distribution sector.

ENGINEERING AND FABRICATION

Certificate II in Engineering Studies (Pre-Apprenticeship)

 22632VIC  Full time (3 months)  Various  Moorabbin

Entry requirements: To be eligible, students must be at least 16 years of age.

Career opportunities: Heavy earth moving equipment, mining equipment, pressure vessels, pipework, automotive/truck body building, duct work, shipbuilder/boats/submarines, aircraft, structural work, electrical switchboard cabinets.

Certificate II in Engineering Studies - Fabrication

VET delivered to Secondary Students

 22632VIC  Part time (2 years)  February  Moorabbin

Entry requirements: You must be enrolled as a VCE or VCE (Vocational Major) student at a Victorian secondary school.

Career opportunities: Heavy earth moving equipment, mining equipment, pressure vessels, pipework, automotive/truck body building, duct work, shipbuilder/boats/submarines, aircraft, structural work, electrical switchboard cabinets.

Certificate III in Engineering - Fabrication trade (Apprenticeship)

MEM31922 **Part time (3 years)** **January, June, December** **Moorabbin**

Entry requirements: To be eligible, students must be at least 16 years of age. Holmesglen requires all applicants to be registered in an engineering apprenticeship arrangement with an employer in the metal, engineering, manufacturing and associated industries. Applicants must have a training contract with their employer, this contract must be registered with the VRQA and the apprentice must have been issued with an Epsilon number. Holmesglen recommends all applicants have a minimum of Year 10 English and Mathematics.

Career opportunities: Metal fabrication tradesperson, boilermaker welder, sheet metal worker, arc welder.

Certificate IV in Engineering (Fabrication and AutoCAD)

MEM40119 **Part time (up to 4 years)** **Various** **Moorabbin**

Entry requirements: To be eligible, you must be at least 16 years of age. While there is no qualification entry requirement, it is assumed you are already a tradesperson with access to structured on- and off-the-job training. It is recommended that applicants have completed Year 11 or equivalent, due to the literacy and numeracy requirements of engineering studies. It is recommended that learners wanting to enrol in this qualification contact the Engineering department to discuss the entry requirements.

Career opportunities: Engineering/manufacturing tradesperson, employment as a higher engineering tradesperson/advanced metal fabricator within the engineering, fabrication, manufacturing and associated industries.

FLOORING, PLASTERING AND TILING

Certificate III in Construction Waterproofing

NURSING, COMMUNITY AND HEALTH SCIENCES

Nursing, community and health sciences offer a variety of exciting opportunities in a fast-growing sector.

Holmesglen is one of the only TAFEs in Australia that offers its own Bachelor of Nursing – delivered from our Moorabbin campus health precinct. Our state-of-the-art simulation facilities and partnership with Holmesglen Private Hospital gives you practical experience and a window into your future career.

Our Bourke Street campus also gives the next generation of nurses the chance to complete their diploma training in the heart of Melbourne.

In addition to nursing, we offer courses in allied health, community services, dental, disability, justice, pathology and lab testing.

STUDY AREAS:

- Aged care
- Allied health
- Community services
- Dental
- Disability
- Justice
- Nursing
- Pathology and laboratory testing

INDUSTRY LEADER

We are past winners at the Victorian Training Awards and Australian Training Awards. Plus, our Moorabbin campus houses the award-winning Holmesglen Private Hospital.

PLACEMENTS

We run nursing fellowships and placements with many Victorian healthcare providers. Our partnership with the Royal Children's Hospital has increased employment outcomes for young people with disability.

INNOVATION LEADER

A Veski and Study Melbourne Research Partnerships Program with Canada's Northwestern Polytechnic is developing the next generation of healthcare workers in Australia and overseas.

“As a mature aged student, I found it daunting to return to study and found learning technical skills a huge barrier. But with the supportive environment at Holmesglen I quickly overcame my self-doubts.”

Lincoln Brannan
Diploma of Nursing

Lincoln was an active student representative at Holmesglen and enjoyed inspiring his peers and teachers with his public speaking skills. He secured a coveted work placement at Swan Hill Health, and now hopes to go on to a Bachelor of Nursing.

Certificate IV in Leisure and Health

 **CHC43415**  **Full time (1 year)**  **February, July**  **Chadstone**

Entry requirements: To be eligible, you must be at least 18 years of age. Prior to enrolment or commencement of training you will be required to complete a literacy and numeracy assessment and a pre-training interview. These will assist with determining your suitability to the course, verify your training plan, and identify any learning support needs.

Career opportunities: Lifestyle officer, lifestyle coordinator, community leisure officer, leisure and health activities officer, activities officer.

ALLIED HEALTH

Certificate III in Allied Health Assistance

VET Delivered to Secondary Students

 **HLT33015**  **Part time (2 years)**  **February**  **Moorabbin**

Entry requirements: You must be enrolled as a VCE or VCE (Vocational Major) student at a Victorian secondary school.

Career opportunities: Food services assistant (hospital), general hand (hospital), ward hand (hospital).

Certificate III in Health Services Assistance

 **HLT33115**  **Full time (5 months)**  **February, July**  **Moorabbin**

Entry requirements: Prior to enrolment or commencement of training, you will be required to complete a literacy and numeracy assessment (BKSB test) and a pre-training interview. At this face-to-face interview, you will be asked a number of questions including some contextualised questions regarding the course. The BKSB test results, in conjunction with the interview, assists with determining your suitability for the course and to identify any learning support needs.

Career opportunities: Environmental services which include infection control and clinical cleaning of patient areas, food services, patient service assistant (PSA), ward support, patient handling and transport.

Certificate III in Health Services Assistance (Operating Theatre Technician)

 **HLT33115**  **Full time (5 months)**  **February, July**  **Moorabbin**

Entry requirements: To successfully obtain the HLT33115 Certificate III in Health Services Assistance (Operating Theatre Technician), you are required to complete 12 core units from the Certificate III in Health Services Assistance. These core units are free if you are eligible for Free TAFE. However, in addition to the core units, you must also complete a 3-unit skill set, HSSH0006, which comprises the Operating Theatre Technician electives. These 3 elective units are not free, and you will need to pay a fee of \$4,349.

Career opportunities: Operating theatre technician.

Certificate IV in Allied Health Assistance

 **HLT43021**  **Full time (1 year)**  **February, July**  **Moorabbin**

Entry requirements: Prior to clinical placement you must provide Holmesglen clinical placement office evidence of up-to-date immunisations, a valid Working with Children Check, and valid National Police Check to be eligible for clinical placement, which is a mandatory requirement for course completion.

Career opportunities: Allied health assistant, therapy assistant, physiotherapy assistant, occupational therapy assistant, community rehabilitation assistant, habit coach.

Operating Theatre Technician Specialisation

HSSHLT0006 **Part time (4 months)** **February, July** **Moorabbin**

Entry requirements: Entry into this skill set requires the following: Applicants hold the HLT33115 - Certificate III in Health Services Assistance qualification, or applicants have completed or are concurrently enrolled in the HLT33115 - Certificate III in Health Services Assistance 12 unit Partial Qualification delivered at Holmesglen.

Career opportunities: Operating Theatre Technician (OTT).

COMMUNITY SERVICES

Certificate IV in Youth Work

CHC40421 **Full time (1 year), 18 months online** **February, July** **Online, Moorabbin**

Entry requirements: You must be 18 years old at the start of the course. Before beginning, a valid Working with Children Check and a satisfactory National Police Check are mandatory. Additionally, an NDIS worker screening check may be necessary prior to the start of the course. Ensure you meet these requirements for smooth course commencement.

Career opportunities: Youth worker, recreational youth activities worker, community development worker (youth), crisis accommodation support worker (youth), residential youth worker, youth outreach, youth support worker, youth welfare worker (schools).

Certificate IV in Community Services

CHC42021 **Full time (1 year), Part time (18 months)** **February, July** **Online, Moorabbin**

Entry requirements: You must be aged 18 years or over. There are no placement requirements for this qualification. Instead, the practical application and skills-based learning will be facilitated through simulation assessment activities, where hired actors will play the role of clients, service users and NDIS participants. Please note that employment in the community services sector may require the following: a valid Working with Children Check, a clear National Police Check, a clear NDIS Worker Screening Check.

Career opportunities: Community services worker, NDIS support worker, disability advocate, early intervention worker, caseworker.

Diploma of Community Services

ENGLISH, EDUCATION AND TEACHER TRAINING

Our courses can get you started in teaching. Whether you want to inspire the next generation as a teacher, guide students as a tutor or aide, teach English or be a support worker, we have the courses for you.

We offer a wide range of training and some of our courses are on the Free TAFE courses list, including pathway options.

STUDY AREAS:

- Early childhood education
- English for migrants
- Education support
- General education
- English language teacher training
- Training and assessment

WORK-READY GRADUATES

Did you know, the CHC50121 Diploma of Early Childhood Education and Care covers the National Quality Framework, including the Early Years Learning Framework, and the compliance requirements of the National Quality Standards.

INDUSTRY PLACEMENTS

Some of our courses, including the Bachelor of Early Childhood Teaching, feature mandatory practical placements, giving you real experience in education workplaces while you study.

MAXIMISE YOUR CAREER

We offer the TAE40122 Certificate IV in Training and Assessments, which is a recognised qualification to become a vocational trainer and assessor.

Many of our early childhood education courses include practical placement opportunities, giving you strong connections to future employers and a chance to grow your work skills while you study.

HORTICULTURE AND ENVIRONMENT

STUDY AREAS:

- Conservation and land management
- Floristry
- Horticulture

Our horticulture and environment courses prepare you to become a sustainability champion and preserve the natural world around us.

From a florist to landscape designer to Landcare worker, our qualifications offer clear pathways to employment or further study.

AWARDS, COMPETITIONS AND EVENTS

Our students are past award winners at industry competitions and events, including Melbourne International Flower and Garden Show and WildFlowers Australia.

LEARN IN REAL-WORLD ENVIRONMENTS

Conservation and land management students enjoy memorable learning opportunities, including field trips to destinations such as French Island, Grampians National Park, Cape Otway National Park, Lake Eildon and Murray Sunset region.

MAKING A DIFFERENCE

Our conservation and ecosystem management courses are run jointly with public land management agencies, which may include Mornington Peninsula Shire, Kingston City Council, Parks Victoria, and the National Trust of Victoria.

"I love plants, being out in nature and learning outside of the classroom."

Hudson Fraser
Certificate III in Conservation and Land Management

Hudson never enjoyed school and felt trapped in a classroom environment. Studying land management and conservation changed his life and transformed his passion to a career. Hudson hopes to work in conservation and is eager to inspire young students.

HOSPITALITY, TOURISM AND EVENTS

Our courses focus on practical, job-ready experience, giving you the chance to step right into future employment.

Holmesglen's hospitality and cookery students use on-campus training kitchens and restaurants. Events students gain experience at major events. Travel and tourism students become immersed in their future industry.

STUDY AREAS:

- Bakery and Pastry
- Cookery
- Hospitality
- Events
- Travel and Tourism

TEACHING QUALITY

Our teachers are industry leaders, who are recognised in their chosen field. Holmesglen cookery teachers have taken out top honours at events such as the Australian Culinary Federation Restaurant Challenge.

GLOBAL PROFESSIONALS

Students from our hospitality, tourism and events courses have gone on to start global careers, with Holmesglen alumni working in countries such as England and Dubai.

HOSPITALITY EXCELLENCE

Cookery students are past winners at competitions such as AUSTAFE Culinary Competition and international events including Wandee International Culinary Competition. Students also work on special dining events at our on-campus restaurants Cilantro (Moorabbin) and Zest (Glen Waverley).

“The support from my teachers at Holmesglen transformed my educational experience.”

Emad Seyam
Certificate III in Commercial Cookery

Emad's passion for food and cooking made him determined to excel in his course while working full-time in the busy kitchen at the Mail Exchange Hotel in the heart of Melbourne CBD. Having completed his Certificate III in Commercial Cookery, Emad dreams of starting up his own catering company someday.

SPORT, FITNESS AND WELLBEING

Holmesglen's sport business and sports media degrees are highly regarded and connected to industry. They give you invaluable work experience at Australia's leading sporting organisations.

Our practical courses include fitness, recreation, nutrition and beauty services.

STUDY AREAS:

- Fitness and recreation
- Natural therapies (beauty and nutrition)
- Sport

JOB OUTCOMES

Sports media and sport business learners benefit from our integrated practical placement program.

Many have gone on to work at organisations including Fox Footy, Tennis Victoria, Hockey Australia and various AFL clubs.

INNOVATIVE PARTNERSHIPS

Together with St Kilda Football Club, we deliver a sports program that gives sport development students special access to the Saints' inner sanctum.

SPECIALIST INDUSTRY TRAINING

With our SIS50421 Diploma of Outdoor Leadership you'll learn to lead groups in coastal, alpine, desert and mountain environments across south eastern Australia.

Holmesglen sport courses are industry linked and include various opportunities to gain practical experience.

From our dual diploma, run with St Kilda Football Club, to the integrated practical placement program offered in our sport degrees, there is plenty of opportunity to enter your dream role.
