

Updated 9 December 2020.

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
22301VIC	Certificate I in Transition Education	Students may be required to obtain a National Police Records check for placement or voluntary work. The approximate cost is \$50.
22302VIC	Certificate I in Work Education	Additional activities costs for electives chosen: Hospitality - \$425 Horticulture - \$125 Retail - \$125 Students may also be required to obtain a National Police Records check for placement or voluntary work. The approximate cost is \$50.
22320VIC	Diploma of Justice	Students may be required to obtain a National Police Records Check and Working with Children Check. The approximate cost of these items is \$140.
22321VIC	Advanced Diploma of Justice	Students may be required to obtain a National Police Records Check and Working with Children Check. The approximate cost of these items is \$140.
22338VIC	Certificate II in Building and Construction Pre-apprenticeship*	Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Safety gloves (when handling building materials) Earmuffs/ear plugs for ear protection Hat and sunscreen for sun protection Fold-out ruler Notebook, HB Pencil, blue or black pen, eraser The total cost of these items is between \$200 - \$250 If additional safety equipment is required, it will be supplied by the Institute.

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
22338VIC	Certificate II in Building and Construction Pre-apprenticeship*	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Safety gloves (when handling building materials)</li> <li>Earmuffs /ear plugs for ear protection</li> <li>Hat and sunscreen for sun protection</li> <li>Fold-out ruler</li> <li>Notebook, HB Pencil, blue or black pen, eraser</li> </ul> <p>The total cost of these items is between \$200 - \$250 If additional safety equipment is required, it will be supplied by the Institute.</p>
22338VIC	Certificate II in Building and Construction Pre-apprenticeship (Carpentry)	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Safety gloves (when handling building materials)</li> <li>Claw hammer 24oz or 20oz (similar to Estwing)</li> <li>1m folding ruler</li> <li>Nail bag (dual pouch)</li> <li>Chisel high impact Thru Tang - set of 3 (2mm, 19mm, 25mm) or set of 5 (6mm, 12mm, 19mm, 25mm, 32mm)</li> <li>8m tape (mm)</li> <li>Combination square</li> <li>Bevel</li> <li>Carpenter pencil x 3</li> <li>Hand saw (Irwin Jack 770 or Bahco Prize Cut)</li> <li>Set of three nail punches</li> <li>Hat and sunscreen for sun protection</li> <li>Fold-out ruler</li> <li>Notebook, HB Pencil, blue or black pen, eraser</li> </ul> <p>The total cost of these items is between \$200 - \$250 If additional safety equipment is required, it will be supplied by the Institute.</p>
22453VIC	Course in New Energy Technology Systems	<p>The required personal protective equipment students will need to supply is:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket if cold)</li> <li>Safety glasses</li> </ul> <p>Total costs depending on brands for the above items should be approximately \$200 - \$250.</p>
22470VIC	Certificate II in Engineering Studies*	<p>The required personal protective equipment students will need to supply is:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work long sleeve shirt (waist length jacket, if cold)</li> </ul> <p>Total costs depending on brands for the above items should be approximately \$200 - \$250.</p>

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
22477VIC	Advanced Diploma of Building Design (Architectural)	<p>The required personal protective equipment students will need to supply is:            Safety boots (steel capped, ankle height)            Safety pants            Work shirt (waist length jacket, if cold)            Safety glasses            Hat for sun protection            Sunscreen (if exposed to sunlight)            Safety gloves (if handling building materials)            If additional safety equipment is required, it will be supplied by the institute            The total cost of these items is between \$200 - \$250.</p> <p>Students will also be required to hold a construction induction card (White Card). To attain this card, students will be required to complete a one-day course (at Holmesglen or another accredited training provider) prior to commencing this course. The cost of this program is between \$150- \$200.</p>
22481VIC	Certificate II in Work Education	Students may be required to obtain a National Police Records check for placement or voluntary work. The approximate cost of these items is \$50.
AHC20416	Certificate II in Horticulture	<p>The required personal protective equipment students will need to supply is:            Safety boots (steel capped, ankle height)            Safety pants            Work shirt (waist length jacket, if cold)            Safety glasses            Ear protection            Hat for sun protection            Sunscreen (if exposed to sunlight)            Safety gloves (if handling building materials)            Note pad            Biro            The total cost of these items is between \$200 - \$250.            If additional safety equipment is required, it will be supplied by the Institute.</p>
ACM30117	Certificate III in Animal Studies	<p>The required personal protective equipment students will need to supply is:            Latex gloves            Enclosed boots            Long sleeve top and pants            The total cost of these items is between \$150 - \$200.</p>
AHC30816	Certificate III in Arboriculture	Four camps per two-year course = \$500 per year estimated (Approximately \$1,000 in total).

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
AHC31016	Certificate III in Parks and Gardens	<p>Required personal protective equipment students will need to supply is:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket if cold)</li> <li>Safety glasses</li> <li>Ear protection</li> <li>Hat for sun protection</li> <li>Sunscreen (if exposed to sunlight)</li> <li>Safety gloves (if handling building materials)</li> <li>Note pad</li> <li>Biro</li> </ul> <p>The total cost of these items is between \$200-\$250 If additional safety equipment is required, it will be supplied by the Institute.</p>
AHC31319	Certificate III in Sports Turf Management	<p>The required personal protective equipment students will need to supply is:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket if cold)</li> <li>Safety glasses</li> <li>Ear protection</li> <li>Hat for sun protection</li> <li>Sunscreen (if exposed to sunlight)</li> <li>Safety gloves (if handling building materials)</li> <li>Note pad / Biro</li> </ul> <p>The total cost of these items is between \$200 - \$250 If additional safety equipment is required, it will be supplied by the Institute.</p>
AHC30816	Certificate III in Arboriculture	<ul style="list-style-type: none"> <li>Four camps per two-year course = \$500 per year</li> <li>Safety glasses</li> <li>Gloves</li> <li>Chainsaw protection trousers or chaps</li> <li>Head protection with integrated chin strap</li> <li>Ear protection; suitable hi-vis clothing for outdoors activities</li> <li>Suitable work boots (steel or safety toe) or climbing style shoes with ankle support (can have integrated chainsaw protection)</li> <li>Note pad / Biro</li> </ul> <p>The total cost of these items is between \$400 - \$450 If additional safety equipment is required, it will be supplied by the Institute.</p>

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
AHC40416	Certificate IV in Horticulture	<p>The required personal protective equipment students will need to supply is:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Ear protection</li> <li>Hat for sun protection</li> <li>Sunscreen (if exposed to sunlight)</li> <li>Safety gloves (if handling building materials)</li> <li>Note pad / Biro</li> </ul> <p>The total cost of these items is between \$200 - \$250 If additional safety equipment is required, it will be supplied by the Institute.</p>
AHC40916	Certificate IV in Conservation and Land Management	<p>The required personal protective equipment students will need to supply is:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Ear protection</li> <li>Hat for sun protection</li> <li>Sunscreen (if exposed to sunlight)</li> <li>Safety gloves (if handling building materials)</li> <li>Note pad / Biro</li> </ul> <p>The total cost of these items is between \$200 - \$250. If additional safety equipment is required, it will be supplied by the Institute.</p>
AHC50416	Diploma of Horticulture	<p>The required personal protective equipment students will need to supply is:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Ear protection</li> <li>Hat for sun protection</li> <li>Sunscreen (if exposed to sunlight)</li> <li>Safety Gloves (if handling building materials)</li> <li>Fold out ruler</li> <li>Note pad</li> <li>Builders pencil</li> <li>Biro</li> </ul> <p>The total cost of these items is between \$200 - \$250.</p>

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
AHC50616	Diploma of Landscape Design	<p>The required personal protective equipment students will need to supply is:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Ear protection</li> <li>Hat for sun protection</li> <li>Sunscreen (if exposed to sunlight)</li> <li>Safety Gloves (if handling building materials)</li> <li>Note pad / Biro</li> </ul> <p>The total cost of these items is between \$200 - \$250 If additional safety equipment is required, it will be supplied by the Institute.</p>
AHC51016	Diploma of Sports Turf Management	<p>The required personal protective equipment students will be required to supply is:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Ear protection</li> <li>Hat for sun protection</li> <li>Sunscreen (if exposed to sunlight)</li> <li>Safety Gloves (if handling building materials)</li> <li>Note pad / Biro</li> </ul> <p>The total cost of these items is between \$200 - \$250 If additional safety equipment is required, it will be supplied by the Institute.</p>
AHC51116	Diploma of Conservation and Land Management	<p>The required personal protective equipment students will need to supply is:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Ear protection</li> <li>Hat for sun protection</li> <li>Sunscreen (if exposed to sunlight)</li> <li>Safety Gloves (if handling building materials)</li> <li>Note pad / Biro</li> </ul> <p>The total cost of these items is between \$200 - \$250 If additional safety equipment is required, it will be supplied by the Institute.</p>

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
AUR32316	Certificate III in Automotive and Marine Trimming Technology	Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket if cold) Safety glasses Safety gloves (when handling building materials) Earmuffs / ear plugs for ear protection Hat and sunscreen for sun protection Fold-out ruler Notebook, HB Pencil, blue or black pen, eraser The total cost of these items is between \$300 - \$350 If additional safety equipment is required, it will be supplied by the Institute.
CHC30113	Certificate III in Early Childhood Education and Care	Up to \$30 for external accreditation of Safe Sleeping Certificate (SIDS)
CHC50113	Diploma of Early Childhood Education and Care	Up to \$30 for external accreditation of Safe Sleeping Certificate (SIDS)
CHC33015	Certificate III in Individual Support	Additional costs will be incurred for National Police Records Check Immunisations (approx. \$400) Polo shirt for placement (approx. \$50).
CHC43115	Certificate IV in Disability	Additional costs will be incurred for a National Police Records Check. The approximate cost is \$50.
CHC52015	Diploma of Community Services	Additional costs will be incurred for a National Police Records Check. The approximate cost is \$50.
CPC20211	Certificate II in Construction Pathways*	Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Ear protection Hat for sun protection Sunscreen (if exposed to sunlight) Safety Gloves (if handling building materials) Fold out ruler, Notebook, HB Pencil, Biro, eraser The total cost of these items is between \$200 - \$250 If additional safety equipment is required, it will be supplied by the Institute.

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
CPC30111	Certificate III In Bricklaying/Blocklaying	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Safety gloves (when handling building materials)</li> <li>Earmuffs/ear plugs for ear protection</li> <li>Hat and sunscreen for sun protection</li> <li>Fold-out ruler</li> <li>Notebook, HB Pencil, blue or black pen, eraser</li> </ul> <p>The total cost of these items is between \$200 - \$250 If additional safety equipment is required, it will be supplied by the Institute.</p>
CPC30116	Certificate III in Shopfitting	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Ear protection AS1270 (Earmuffs)</li> <li>Hat for sun protection</li> <li>Sunscreen (if exposed to sunlight)</li> <li>Gloves (Level 5 Cut Resistant Gloves)</li> <li>Notebook, blue or black pen/biro, HB pencil, eraser</li> <li>Steel Tape (Metric 3m/5m)</li> <li>150mm Steel Ruler</li> <li>Chisels 1 of each (6mm, 12mm, 25mm)</li> </ul> <p>The total cost of these items is between \$250 - \$300 If additional safety equipment is required, it will be supplied by the Institute.</p>

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
CPC30211	Certificate III in Carpentry	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Safety gloves (when handling building materials)</li> <li>Claw hammer 24oz or 20oz (similar to estwing)</li> <li>1m folding ruler</li> <li>Nail bag (dual pouch)</li> <li>Chisel high impact Thru Tang - set of 3 (2mm, 19mm, 25mm) or set of 5 (6mm, 12mm, 19mm, 25mm, 32mm)</li> <li>8m Tape (mm)</li> <li>Combination square</li> <li>Bevel</li> <li>Carpenter pencil x 3</li> <li>Hand saw (Irwin Jack 770 or Bahco Prize Cut)</li> <li>Set of 3 nail punches</li> <li>Hat and sunscreen for sun protection</li> <li>Fold-out ruler</li> <li>Notebook, HB Pencil, blue or black pen, eraser</li> </ul> <p>The total cost of these items is between \$200 - \$250 If additional safety equipment is required, it will be supplied by the Institute.</p>
CPC30611	Certificate III in Painting and Decorating	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Overalls or Cotton drill trousers and shirt</li> <li>Leathered work boots or safety work shoes</li> <li>Safety glasses (clear)</li> <li>Ear muffs or ear plugs</li> <li>Hat or cap (for outside use)</li> <li>P2 respirator</li> <li>Sunglasses (for outside use)</li> <li>Steel Tape (Metric 3m/5m)</li> <li>Filling Blade Set</li> <li>Duster brush</li> <li>50mm Sash Cutter</li> <li>63mm Sash Cutter</li> <li>75mm Wall Brush</li> <li>Small NT Cutter</li> <li>Fold-out ruler</li> <li>Notebook, HB pencil, blue/black pen, eraser</li> </ul> <p>Total cost between \$250 - \$300 depending on brand.</p>

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
CPC30812	Certificate III in Roof Tiling	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Safety gloves (when handling building materials)</li> <li>Earmuffs /ear plugs for ear protection</li> <li>Hat and sunscreen for sun protection</li> <li>Fold-out ruler</li> <li>Notebook, HB Pencil, blue or black pen, eraser</li> </ul> <p>The total cost of these items is between \$200-\$250 If additional safety equipment is required, it will be supplied by the Institute.</p>
CPC31011	Certificate III in Solid Plastering	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Safety gloves (when handling building materials)</li> <li>Earmuffs /ear plugs for ear protection</li> <li>Dust respirator to P3 standard</li> <li>Hat and sunscreen for sun protection</li> <li>Fold-out ruler</li> <li>Notebook, HB Pencil, blue or black pen, eraser</li> </ul> <p>The total cost of these items is between \$250 - \$300 If additional safety equipment is required, it will be supplied by the Institute.</p>
CPC31211	Certificate III in Wall and Ceiling Lining	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Safety gloves (when handling building materials)</li> <li>Ear muffs / ear plugs for ear protection</li> <li>Dust respirator to P3 standard</li> <li>Hat and sunscreen for sun protection</li> <li>Fold-out ruler</li> <li>Notebook, HB Pencil, blue or black pen, eraser</li> </ul> <p>The total cost of these items is between \$300 - \$400 If additional safety equipment is required, it will be supplied by the Institute.</p>

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
CPC31311	Certificate III in Wall and Floor Tiling	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Safety gloves (when handling building materials)</li> <li>Earmuffs/ear plugs for ear protection</li> <li>Dust respirator to P3 standard</li> <li>Hat and sunscreen for sun protection</li> <li>Fold-out ruler</li> <li>Notebook, HB Pencil, blue or black pen, eraser</li> </ul> <p>The total cost of these items is between \$300 - \$400 If additional safety equipment is required, it will be supplied by the Institute.</p>
CPC31411	Certificate III in Construction Waterproofing*	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Safety gloves (when handling building materials)</li> <li>Earmuffs/ear plugs for ear protection</li> <li>Dust respirator to P3 standard</li> <li>Knee pads</li> <li>Hat and sunscreen for sun protection</li> <li>Fold-out ruler</li> <li>Notebook, HB Pencil, blue or black pen, eraser, calculator</li> <li>Earphone/headset for computer work</li> </ul> <p>The total cost of these items is between \$300 - \$400 If additional safety equipment is required, it will be supplied by the Institute.</p>
CPC31912	Certificate III in Joinery	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Safety gloves (level 5 cut resistant gloves)</li> <li>Earmuffs/ear plugs for ear protection</li> <li>Hat and sunscreen for sun protection</li> <li>Notebook, HB Pencil, blue or black pen, eraser</li> <li>Steel Tape (Metric 3m/5m)</li> <li>150mm Steel Ruler</li> <li>Chisels 1 of each (6mm, 12mm, 25mm)</li> <li>Final project material</li> </ul> <p>The total cost of these items is between \$400 - \$800 If additional safety equipment is required, it will be supplied by the Institute.</p>

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
CPC32313	Certificate III in Stonemasonry (Monumental/Installation)	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Safety gloves (when handling building materials)</li> <li>Earmuffs/ear plugs for ear protection</li> <li>Dust respirator to P3 standard</li> <li>Knee pads</li> <li>Hat and sunscreen for sun protection</li> <li>Fold-out ruler</li> <li>Notebook, HB Pencil, blue or black pen, eraser</li> </ul> <p>The total cost of these items is between \$300 - \$400 If additional safety equipment is required, it will be supplied by the Institute.</p>
CPC32413	Certificate III in Plumbing	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Safety gloves (when handling building materials)</li> <li>Earmuffs/ear plugs for ear protection</li> <li>Hat and sunscreen for sun protection</li> <li>Fold-out ruler</li> <li>Notebook, HB Pencil, blue or black pen, eraser</li> </ul> <p>The total cost of these items is between \$200 - \$250 If additional safety equipment is required, it will be supplied by the Institute.</p> <p>Students must supply hand tools and a battery drill. This will cost between \$ 700 - \$1500 \$500 for final Journeyman's exam + \$300 for first year resource books and Australian standards + \$150 for second year resource books.</p>
CPC40110	Certificate IV in Building and Construction (Building)*	<p>The required personal protective equipment students will need to supply is:</p> <ul style="list-style-type: none"> <li>Safety boots (steel capped, ankle height)</li> <li>Safety pants</li> <li>Work shirt (waist length jacket, if cold)</li> <li>Safety glasses</li> <li>Hat for sun protection</li> <li>Sunscreen (if exposed to sunlight)</li> <li>Safety gloves (if handling building materials)</li> </ul> <p>If additional safety equipment is required, it will be supplied by the Institute The total cost of these items is between \$200 - \$250.</p> <p>Students will also be required to hold a construction induction card (White Card). To attain this card, students will be required to complete a one-day course (at Holmesglen or another accredited training provider) prior to commencing this course. The cost of this program is between \$150 - \$200.</p>

CUA40715	Certificate IV in Design	\$200 - printing folio
CUA41115	Certificate IV in Photo Imaging	\$200 - printing folio
CUA50715	Diploma of Graphic Design	\$400 - printing folio
CUA51015	Diploma of Screen and Media	\$200 - printing, equipment hire
CUA60315	Advanced Diploma of Graphic Design	\$400 - printing folio
HLT33015	Certificate III in Allied Health Assistance	nil
HLT33115	Certificate III in Health Services Assistance	Immunisation confirmation - \$100 - \$500 National Police Records Check - \$50
HLT35015	Certificate III in Dental Assisting	Uniform - \$45 Textbook - \$150 Immunisation confirmation - \$100 - \$500 National Police Records Check - \$50.

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
HLT37215	Certificate III in Pathology Collection	Uniform - \$60 Textbooks - \$130 Stationary - \$20 Immunisation confirmation - \$100 - \$500 National Police Records Check - \$50.
HLT43015	Certificate IV in Allied Health Assistance - Physiotherapy, Occupational Therapy	Immunisation confirmation - \$100 - \$500 National Police Records Check - \$50 Uniform - \$45.
HLT43015	Certificate IV in Allied Health Assistance - Nutrition and Dietetics	\$50 National Police Records Check, up to \$150 for immunisations
HLT52015	Diploma of Remedial Massage	\$20 towels
HLT54115	Diploma of Nursing	<ul style="list-style-type: none"> <li>• Nursing student uniform (shirt, and pants) - approximately \$110</li> <li>• Reading materials – approximately \$500</li> <li>• Stethoscope \$79.95 - \$99</li> <li>• Sphygmomanometer \$52 - \$112</li> <li>• Watch with second hand \$15 - \$50</li> <li>• Protective eyewear \$5 - \$25. Identification badge \$20</li> <li>• National Police Check approximately \$45 yearly.</li> <li>• Working with Children's Check \$0.00 - \$126.50.</li> <li>• Immunisations approximately \$500 dependent on previous vaccinations and GP billing</li> <li>• Rural clinical placement dependent on accommodation cost and length of clinical placement.</li> </ul>
HLT55118	Diploma of Dental Technology	Equipment Kit - \$840 Textbooks - \$300
HSSCPC0001	Construction Induction Card	
HSSICT0005	Provide First Aid Level 2	
HSSICT0006	Provide First Aid Level 2 Update	
HSSICT0007	Low Voltage Rescue and CPR	
HSSUEE0001	Register Electrical Contractor	

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
HSSUEE0002	Design and Install Grid Connect PV Systems	The required personal protective equipment students will need to supply is: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Total costs depending on brands for the above items is approximately \$200 - \$250.
HSSUEE0003	Grid Connect PV Systems - Design Only	The required personal protective equipment students will need to supply is: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Total costs depending on brands for the above items is approximately \$200 - \$250.
HSSUEE0005	Restricted Electrical Workers Licence - Class 2 (Appliances)	The required personal protective equipment students will need to supply is: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Total costs depending on brands for the above items is approximately \$200 - \$250.
HSSUEE0006	Restricted Electrical Workers Licence - Class 2 (Motors)	The required personal protective equipment students will need to supply is: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Total costs depending on brands for the above items is approximately \$200 - \$250.
HSSUEE0007	Restricted Electrical Workers Licence - Class 2 (Refrigeration and Air-conditioning)	The required personal protective equipment students will need to supply is: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Total costs depending on brands for the above items is approximately \$200 - \$250.
HSSUEE0008	Stand Alone Power Systems	The required personal protective equipment students will need to supply is: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Total costs depending on brands for the above items is approximately \$200 - \$250.
HSSUEE0009	Testing and Tagging	The required personal protective equipment students will need to supply is: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Total costs depending on brands for the above items is approximately \$200 - \$250.

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
HSSUEE0013	Grid Connected PV with Battery Storage	The required personal protective equipment students will need to supply is: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Total costs depending on brands for the above items is approximately \$200 - \$250.
MEM30205	Certificate III in Engineering - Mechanical Trade (Refrigeration and Air Conditioning)	The required personal protective equipment students will need to supply is: Safety boots Safety pants Work shirt (waist length jacket, if cold) Safety glasses Hat for sun protection Safety gloves (if handling building materials) If additional safety equipment is required, it will be supplied by the Institute The total cost of these items is between \$200 - \$250.  Students will also be required to hold a construction induction card (White Card). To attain this card, students will be required to complete a one-day course (at Holmesglen or another accredited training provider) prior to commencing this course. The cost of this program is between \$150-\$200. Students must supply hand tools and a battery drill. This will cost between \$ 700 - \$1500.
MEM30305	Certificate III In Engineering - Fabrication Trade	The required personal protective equipment students will need to supply is: Safety boots (steel capped, ankle height) Safety pants Work long sleeve shirt (waist length jacket, if cold) Total costs depending on brands for the above items is approximately \$200 - \$250.
MEM40105	Certificate IV In Engineering*	The required personal protective equipment students will need to supply is: Safety boots (steel capped, ankle height) Safety pants Work long sleeve shirt (waist length jacket, if cold) Total costs depending on brands for the above items is approximately \$200 - \$250.
MEM50105	Diploma of Engineering - Advanced Trade	The required personal protective equipment students will need to supply is: Safety boots (steel capped, ankle height) Safety pants Work long sleeve shirt (waist length jacket, if cold) Total costs depending on brands for the above items is approximately \$200 - \$250.

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
MSF20313	Certificate II in Furniture Making*	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <p>Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Ear protection AS1270 ( earmuffs) Hat for sun protection Sunscreen (if exposed to sunlight) Gloves (Level 5 Cut Resistant Gloves) Notebook, blue or black pen/biro, HB Pencil, Eraser Steel Tape (Metric 3m/5m) 150mm Steel Ruler Chisels, one of each (6mm, 12mm, 25mm) The total cost of these items is between \$250 - \$300 If additional safety equipment is required, it will be supplied by the Institute.</p>
MSF20516	Certificate II in Furniture Making Pathways	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <p>Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Ear protection AS1270 (Earmuffs) Hat for sun protection Sunscreen (if exposed to sunlight) Gloves (Level 5 Cut Resistant Gloves) Notebook, Blue or black pen/biro, HB Pencil, Eraser Steel Tape (Metric 3m/5m) 150mm Steel Ruler Chisels, one of each (6mm, 12mm, 25mm) The total cost of these items is between \$250 - \$300 If additional safety equipment is required, it will be supplied by the Institute.</p>
MSF30113	Certificate III in Furniture Finishing	<p>Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities and attending site visits. The personal protective equipment and course materials students will be required to supply are:</p> <p>Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Ear protection Safety Gloves (if handling building materials) P3 Respirator Notebook, blue or black pen/biro, HB pencil, and eraser The total cost of these items is between \$300 - \$350 If additional safety equipment is required, it will be supplied by the Institute.</p>

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

VCALFND001	VCAL Foundation	Students may be required to obtain a National Police Records check for placement or voluntary work. The approximate cost is \$50.
SIR10116	Certificate I in Retail Services	
SIT10216	Certificate I in Hospitality	
VCALINT001	VCAL Intermediate	Construction Induction Card (all students - \$100)  Some Industry streams (electives) require equipment to be purchased: Hospitality - Hiring of Chef's Uniform (\$50) Beauty and Fashion - Beauty Kit and clothing material (\$299)  The Building and Construction industry streams (electives such as Carpentry, Bricklaying, Tiling, Electrical, Engineering, Joinery and Plumbing) require personal protective equipment to be supplied by the student: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Ear protection AS1270 (Earmuffs) The total cost of these items above is approximately \$200 - \$250 <u>*If additional safety equipment is required, it will be supplied by the Institute.</u>
VCALSEN001	VCAL Senior	Some Industry streams (electives) require equipment to be purchased: Hospitality - Hiring of Chef's uniform (\$50) Beauty and Fashion - Beauty Kit and clothing material (\$299) Building and Construction Industry streams - Construction Induction Card (\$100)  The Building and Construction industry streams (electives such as Carpentry, Bricklaying, Tiling, Electrical, Engineering, Joinery and Plumbing) require personal protective equipment to be supplied by the student: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Ear protection AS1270 (Earmuffs) The total cost of these items above is approximately \$200 - \$250 <u>*If additional safety equipment is required, it will be supplied by the Institute.</u>

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
22304VIC	Certificate II in Plumbing	Students will be required to wear appropriate personal protective equipment (PPE) when undertaking practical activities. The personal protective equipment and course materials students will be required to supply are: Safety boots (steel capped, ankle height) Safety pants Work shirt (waist length jacket, if cold) Safety glasses Safety gloves (when handling building materials) Hat and sunscreen for sun protection Fold-out ruler Notebook, HB Pencil, blue or black pen, eraser The total cost of these items is between \$200 - \$250 If additional safety equipment is required, it will be supplied by the Institute.
FNS50217	Diploma of Accounting	Textbooks \$200 - \$300
FNS40217	Cert IV in Accounting and Bookkeeping	Textbooks \$200 - \$300
BSB40215	CERT IV in Business	Textbooks \$150 - \$250
BSB50415	Diploma of Business Administration	Textbooks \$150 - \$250
FNS40815	Cert IV in Finance and Mortgage Broking	Textbooks \$150 - \$250
HLT47315	Cert IV in Health Administration	Textbooks \$150 - \$250
BSB50618	Diploma of Human Resources Management	Textbooks \$150 - \$250
BSB51918	Diploma of Leadership and Management	Textbooks \$150 - \$250
HLT57715	Diploma of Practice Management	Textbooks \$150 - \$250
BSB51415	Diploma of Project Management	Textbooks \$150 - \$250
22445VIC	Advanced Diploma of Cyber Security	SSD Hard Drive, approximately \$100
22334VIC	Certificate IV in Cyber Security	SSD Hard Drive, approximately \$100
ICT40418	Certificate IV in Information Technology Networking	SSD Hard Drive, approximately \$100
ICT40518	Certificate IV in Programming	SSD Hard Drive, approximately \$100
ICT50415	Diploma of information Technology Networking	SSD Hard Drive, approximately \$100
ICT50718	Diploma of Software Development	SSD Hard Drive, approximately \$100
ICT40118	Certificate IV in Information Technology	SSD Hard Drive, approximately \$100
ICT30118	Certificate III in Information, Digital Media and Technology (VETiS)	USB 16GB, approximately \$10
ICT30118	Certificate III in Information, Digital Media and Technology (SBAT)	USB 16GB, approximately \$10
ICT40315	Certificate IV in Web-Based Technologies	Web Hosting \$5 per month SSD Hard Drive, approximately \$100
ICT50215	Diploma of Digital and Interactive Games	SSD Hard Drive, approximately \$100
ICT40915	Certificate IV in Digital and Interactive Games	SSD Hard Drive, approximately \$100

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
ICT50615	Diploma of Website Development	Web Hosting \$5 per month SSD Hard Drive, approximately \$100
BCME15	Bachelor of Construction Management and Economics	Total for course: \$160 Per annum fee: Not applicable as a once off fee for whole course. For: • White card (Construction induction training) - \$160
BBS15	Bachelor of Building Surveying	Total for course: \$160 Per annum fee: Not applicable as a once off fee for whole course. For: • White card (Construction induction training) - \$160
BACC16	Bachelor of Business (Accounting)	Total for course: \$0.00 Per annum fee: \$0.00 No essential materials fees or other ancillary costs required to complete course
BBA14	Bachelor of Business Administration	Total for course: \$0.00 Per annum fee: \$0.00 No essential materials fees or other ancillary costs required to complete course
BECT16	Bachelor of Early Childhood Teaching	Total for course: \$2000 Per annum fee: \$500 For: • practicum materials and resources
BECT16	Bachelor of Early Childhood Teaching - Commonwealth supported place (CSP)	Total for course: \$2000 Per annum fee: \$500 For: • practicum materials and resources
BFD16	Bachelor of Fashion Design	Total for course: \$3,900 Per annum fee: \$1,300 For: • Costs vary upon chosen fabrics, trims etc. - approximately \$600 - \$1000 per year. This range also includes printing and folio costs. • There is a materials and equipment list that identifies costs of individual items about \$400
BHM16	Bachelor of Hospitality Management	Total for course: \$690 Per annum fee: Varies with year level: Year 1 = \$240; Year 2 = \$190; Year 3 = \$260 For: • going to Eildon as part of different subjects. A different amount is paid depending on the Year level and number of days needed to stay as part of the Year level subjects. This is an estimate only, as it's about \$100 - \$210 for each trip to Eildon. For example, in some semesters, students go up twice in a semester duration period. Year 1 costs also include the uniform for Zest restaurant; and Year 3 also includes a graduation dinner at Eildon. Additionally, there is some variability in costs per year depending on electives chosen and whether these include aspects such as site visits for electives and whether students choose to undertake the optional CHIA accreditation.

## 2021 course consumables and other costs

These are consumables and other course related items that students need to purchase from third parties, and may include retained resources, informs, equipment, excursions and other ancillary fees.

Course Code	Course Name	Course consumables and other costs
BIS17	Bachelor of Information Systems	<p>Total for course: \$1650            Per annum fee: Not applicable as a once off fee for whole course.            For:</p> <ul style="list-style-type: none"> <li>• External Hard Drive - approximately \$150</li> <li>• Prescribed textbook - approximately \$1500 across the 3 years of the course.</li> </ul>
BNURS13 /BNURS20	Bachelor of Nursing	<p>Total for course: \$2,500            Per annum fee: Not applicable as a once off fee for whole course.            For:</p> <ul style="list-style-type: none"> <li>• Nursing student uniform (shirt and pants) - approximately \$110.</li> <li>• Nursing Kit \$160 - \$260, includes:               <ul style="list-style-type: none"> <li>Stethoscope</li> <li>Sphygmomanometer</li> <li>Fob watch with second hand (1 year warranty)</li> <li>Nurses pouch</li> <li>Pen torch</li> <li>Nursing calculator</li> <li>Safety goggles</li> <li>Nurses lanyard calculator</li> <li>A6 alphabetical index book</li> <li>Retractable ID tag with plastic holder</li> <li>Kaiser Baas VR-GX Headset</li> <li>Holmesglan Pen</li> </ul> </li> <li>• Identification badge \$20</li> <li>• Learning materials – textbooks approximately \$400 per year and Elsevier digital learning package approx. \$85/year</li> <li>• National Police Check approximately \$50 yearly. Working with Children's Check \$0.00 (volunteer)</li> <li>• Immunisations approximately \$500 - this will vary dependent on previous vaccinations and GP billing</li> <li>• Rural clinical placement dependent on accommodation cost and length of clinical placement.</li> </ul>
